About our competition team

Our competitive dance team is designed for the serious dancer who is highly motivated in the performing arts. Those selected for company will possess the following:

- Be self-motivated and able to self-evaluate
- Have solid technical and performance skills
- Strong desire to grow and develop as a dancer
- Have a sense of humor, bright smile, and positive attitude Have respect for the team and staff
- Show support for the studio, teachers and fellow dancers

The Competition Experience: It is important to understand that the “competition” aspect of being a member of a Competitive Dance Team should be considered a “performance” opportunity. Competition results are strictly a subjective opinion, and each dancer’s growth should not be completely gauged by their scores or achievements at competitions. It is important to keep competition experiences **positive**, and most importantly, be proud of the growth and development that takes place within your dancer. Students are encouraged to strive to improve themselves and to work to their full capacity.

Attendance/Tardies: Attendance is mandatory for all dance classes. The studio tries its best to be flexible and accommodating with conflicts due to school and/or important family activities. However, by becoming a member of a team, you have agreed that this is a priority in your schedule. Missed classes for any reason other than illness must be approved in advance. Please make sure you call the studio or message your instructor BEFORE an absence. Any time an absence occurs, students are responsible to learn what was missed before the next class, either with a private lesson or from a friend. Students must arrive on time for class or earlier. Missing the first part of class causes the students to become behind on stretching and warming up which can lead to injuries. Being part of the competition is a team effort and attendance is very important to the other dancers. Dance teachers do understand that they are dealing with busy children and socially active teens with many school demands; being a well-rounded individual is important, however, when it comes to participation on a competitive team, skills are constantly being taught....students must be present.

Summer Classes: We understand that some of you have vacations planned during the summer. We have condensed the classes to allow more free time. Dancers will start required classes on June 12th and we will have class every Wednesday until July 31st.

All Choreography learned at Stacia’s School of Dance, including solos, is the property of Attitudes Performing Arts and cannot be performed without Ms. LaDonna’s permission. Dances should not be posted in full on social media.
