Attitudes Dance Company audition information:

Every dancer will audition on the same day, dancers will be placed based on scoring, indication of what company the dancer is interested in, financial commitment, and teacher recommendations.

Auditions will consist of both ballet and jazz. Wear form fitting dance attire, with hair secured up and out of the face, along with appropriate dance shoes. Wear something that makes you feel your best!

Company Auditions will take place on Thursday, June 8th. All audition results will be emailed the following week.

Mandatory Parent Informational Meeting will take place during the auditions in the studio lobby. Finally, it is a privilege to be selected to join APA Dance Company. This packet has a lot of information in it and may be overwhelming at first. We want to be very up-front with everyone about the commitments of time and money that are associated with being involved in our dance company. We want to prepare you and your dancer for auditions with all the information you will need to make the best decision for you, your dancer, and your family.
