About our competition team

Our competitive dance team is designed for the serious recreational dancer who is highly motivated in the performing arts. Those selected for company will possess the following:

- Be self-motivated and able to self-evaluate
- Have solid technical and performance skills for their level and age
- Strong desire to grow and develop as a dancer
- Have a sense of humor, bright smile, and positive attitude Have respect for the team and staff
- Show support for the studio, teachers and fellow dancers

The Competition Experience: It is important to understand that the “competition” aspect of being a member of a Competitive Dance Team should be considered a “performance” opportunity. Competition results are strictly a subjective opinion, and each dancer’s growth should not be completely gauged by their scores or achievements at competitions. It is important to keep competition experiences **positive**, and most importantly, be proud of the growth and development that takes place within your dancer. Students are encouraged to strive to improve themselves and to work to their full capacity.

Attendance/Tardies: Attendance is mandatory for all required dance classes. The studio tries it’s best to be flexible and accommodating with conflicts due to school and/or important family activities. However, by becoming a member of a team, you have agreed that this is a priority in your schedule. Missed classes for any reason other than illness should be approved in advance. Please make sure you call the studio or message your instructor BEFORE an absence. Any time an absence occurs, students are responsible to learn what was missed, either in the next class/rehearsal, or from a team member. Going back and re-teaching every week is counterproductive, and disruptive to class/rehearsal . Students must arrive on time for class or earlier. Missing the first part of class causes the students to become behind on stretching and warming up which can lead to injuries. Being part of the competition is a team effort and attendance is very important to the other dancers. Dance teachers do understand that they are dealing with busy children and socially active teens with many school demands; being a well-rounded individual is important, however, when it comes to participation on a competitive team, skills are constantly being taught, therefore students must be present. **Summer Classes:** We understand that some of you have vacations planned during the summer. We have condensed the classes to allow more free time.

Cost/Fees: Monthly All Inclusive payment plan (Approximate cost)

Summer Company Auditions & Evaluations

While our formal company evaluations have already been completed, additional audition and evaluation opportunities will take place throughout the summer during our Wednesday Workshop classes. Dancers may be observed for placement, growth potential, and readiness for company roles during these sessions. Participation in these workshops is highly encouraged for any dancer interested in joining or continuing with the company.

All dancers must participate in at least one group dance in order to have solo, duo or trio.
